Building controls

- Temperatures taken at check-in. Queue six feet apart or wait in car.
- Parents cannot leave until students are checked in
- No students will be allowed in the building until the previous class has been released
- Parents/students must follow drop off/pick up procedures for each class
- Only students are allowed in the building
- Doors will be locked while classes are in session
- Masks are required to and from class.

NOTE: If the studio must close due to health and safety concerns related to COVID-19, classes will be held virtually.

While we are doing everything in our power to protect students from contracting the coronavirus, there is an inherent risk of contracting any illness (the common cold, flu, coronavirus, etc.) when attending outings with other people. Our goal is to provide the safest environment possible which hopefully, will keep all of our students healthier, in general, against all communicable diseases.
